lounge armchair / chaise-longue

La nuova seduta DRESS_CODE si ispira ai canoni della moda sartoriale, giocando con gli abbinamenti di colori, tra struttura e seduta, con le trame dei tessuti per indoor ed outdoor e con la loro lavorazione: oltre al tessuto liscio come un foglio, viene proposta una versione trapuntata a quadretti. Le trapuntature e le imbottiture sono sia un elemento grafico che fonte di maggiore comfort. Disponibile come accessorio un cuscino poggiatesta rivestito anch'esso in tessuto.

The new DRESS_CODE lounge armchair is inspired by the canons of haute couture, playing with the combinations of colours between structure and seat, with the indoor and outdoor fabrics patterns, and with their upholstery: in addition to the smooth and flat fabric version, there is a quilted version in big squares. The quilting and padding are both an aesthetic element and a source of greater comfort. A headrest cushion is available as an accessory, also with a fabric cover.

La nouvelle chaise-longue DRESS_CODE s'inspire des normes de la mode vestimentaire, en jouant avec les associations de couleurs, entre structure et assise, avec les tissus pour intérieur et extérieur et avec leur fabrication : en plus du tissu lisse comme une feuille, il existe une version capitonnée carrés. Le capitonnage et le rembourrage sont un élément graphique mais qui offre aussi un plus grand confort. Un coussin appui-tête en tissu est également disponible en option.
